DESCRIPTION

2024 Hyundai Kona Preferred

Wireless Apple CarPlay & Android Auto, AWD, Heated Seats, Heated Steering Wheel, Adaptive Cruise, LED Headlights, Remote Start. The 2024 Kona Preferred marks the start of an entirely new generation, featuring a significantly larger body and a living room inspired interior. The highlight of the cabin is the massive 12.3-inch Touchscreen, which features the new ccNC (connected car Navigation Cockpit) interface. Unlike previous years where large screens were restricted to wired connections, this model supports Wireless Apple CarPlay and Android Auto as standard. While this specific Preferred trim does not include factory-integrated navigation, you can run Google Maps or Waze wirelessly from your phone. Finished in Abyss Black, this AWD unit is fully winter-ready with Heated Front Seats, a Heated Steering Wheel, and Adaptive Cruise Control for long highway stretches. Enjoy a haggle and hassl...
